Let's join forces and create a beautiful future together!

LET'S CREATE A BETTER FUTURE TOGETHER!

ECOLOGICAL CYCLE

Each member who joins the team should actively build their own team helping more people join in order to realise their own income growth.

At the same time, members should contribute to the team's development maintaining a good ecosystem and promoting sustainable growth. This collaboration not only aids individual growth but also promotes the prosperity and progress of the entire team.

LET'S CREATE A BETTER FUTURE TOGETHER!

BUILD A TEAM

2

Actively form your own team, help more people join, and earn income together while receiving referral rewards.

IMPROVE AI MODELS

1

Trade daily according to the analyst's signals to provide rich data analysis for the AI model, thereby achieving stable returns.

MANAGE THE TEAM

3

Organise team members to learn project knowledge, support VIP members in building their own teams and receive team rebates, promoting overall team development and collaboration.

LET'S JOIN HANDS AND WORK TOWARDS ACHIEVING
OUR GOALS AND DREAMS TOGETHER

TRADING TUTORIAL

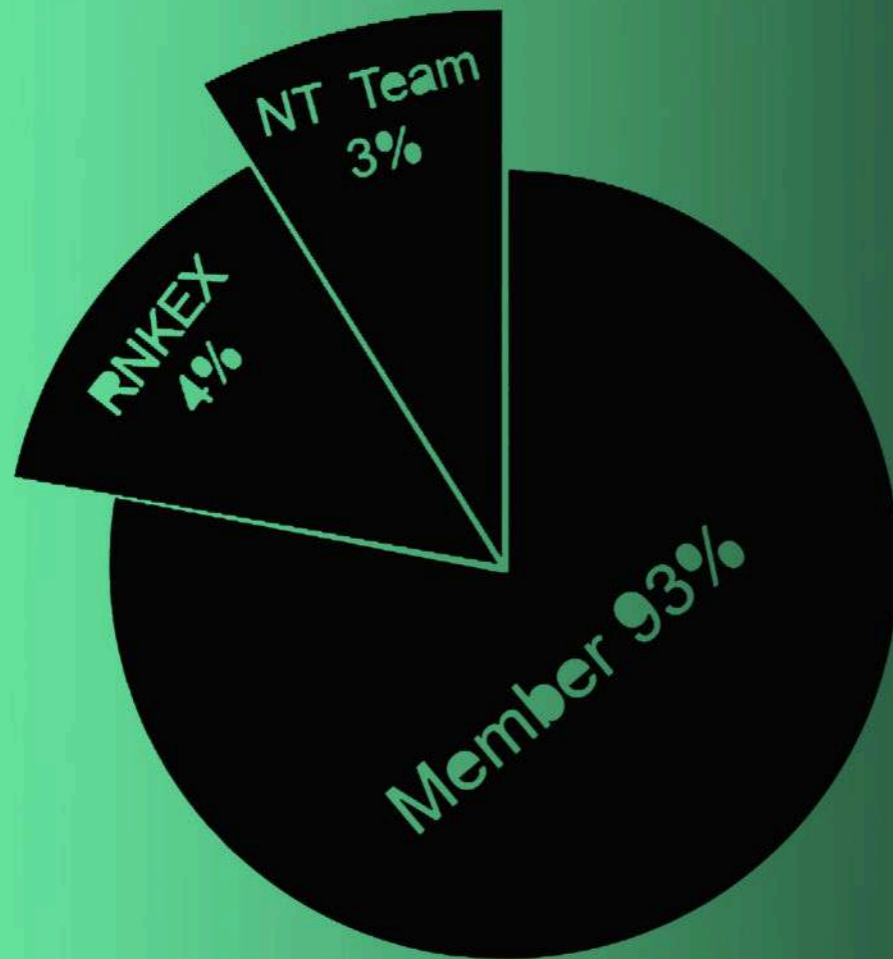

1. Receive trading signals in the NT Team signal group.
2. Execute precise trades based on the signals.
3. Verify the signals to ensure accurate trading.
4. Strictly follow the signals for trading. In the event of any losses, the NT team will fully compensate.

STRICTLY FOLLOWING THE SIGNALS WILL ENSURE YOU CAN EARN INCOME

www.ntteam.co.za

REVENUE SHARING

For example, if you trade 100 USDT and the trade is successful, you will earn a profit of 93 USDT, with the 7 USDT difference being the trading fee for RNKEX. Additionally, RNKEX will pay 3 USDT to the NT team.

This earnings distribution structure ensures that every member can receive maximum benefits while supporting the continuous development of RNKEX and the NT team.

With shared success as the goal, we look forward to working with you!

LET'S CREATE A BETTER FUTURE TOGETHER.
